**Public Hearing Meeting**

A special meeting was held by The Westwood Lakes Water District Board of Directors to present the proposed changes to the water rates for public review. No members of the public attended the meeting.

The board reviewed projected budget but we are currently in limbo as we wait on the governor and the county to provide us with figures and updates on changes they are proposing. Until we have further information provided, we cannot finalize the 2024 budget.

Brad adjourned the meeting at 10:13 am.
